Spring 2010

Dear Member,

When we return from our annual trip with the Juniors to Pinehurst, it is time to begin the serious preparations for opening day.

First, Lucas McGuire has joined the staff as the Associate Professional. Lucas has had experience at Sarnia Golf and Curling Club and Sunningdale Golf and Country Club in London. Most recently, he spent two years at the Provo Golf Club in the Turks and Caicos Islands. He enjoys teaching and loves to play the game and looks forward to some casual games with our membership. He is offering "Spring Get Ready for Golf" Clinics in the month of May and will also offer private lessons along with groups of two, three or four with or without playing lessons. Call Lucas directly at 519 938 6514 or drop in to the club to arrange your spring lessons in person.

We have been working since early February to make changes to the Pro Shop with new fixtures and paint. We are busy making sure everything will be ready when you return for the opening of the 2010 season.

With the warm weather in mid March we had an early look at the golf course. I am pleased to inform you that the course has wintered very well with almost no damage.

The Men's committee has been busy over the winter enhancing the tournament schedule and working on attaining Men's Night Sponsors. They also organized two golf outings to Perfect Conditions which were well received. I am sure you will enjoy the new tournament schedule as it offers something for everyone. Make this the year you get involved with your fellow members, you will find your season will be even more enjoyable.
Businessmen-If you would like to sponsor a Men's night please call the Club for information.

The Ladies have also reworked their Tuesday Ladies format with more emphasis on regular golf with two or three divisions in the Tuesday morning format, while the Ladies Thursday evenings will present a non competitive environment. Play in both if you can.

Some enhancements to our membership packages:

The Practice Facility: Once again we will offer our range card which gives you 15 large buckets (or 30 small) for the price of 10 for \$75.00 tax included. New this year: a season long, non shared, full range membership which offers two large buckets of balls per day from opening day until September 30 – a \$2400.00 value for \$275.00 +GST for members and \$350.00 +GST for non members.

Seasonal Power Carts are available for \$650.00 taxes included for a single rider for a seven day member and \$450.00 taxes included for a single rider for a five day member.

The Pro Shop is fully stocked with Titleist, Cobra, Ping, and Callaway brands along with demo products from all those manufacturers. We have great shirts from Antigua, Nancy Lopez, Intimelle and outerwear from Sun Ice and FootJoy and an array of golf bags from Titleist, Ping and Callaway.

Thank you to all our members who always support the club with their purchases, it always helps. Don't forget that we always match or better the prices of the large chain stores.

Let's all have our best golf season. Join in.

JUNIOR MEMBERS: All Junior Junior, Junior and Advanced Juniors will meet on Sunday April 25 at 2:00pm for a briefing on the upcoming season. It is very important that you attend this meeting.

Leased Golf Clubs: As the Junior program evolves it is apparent that quality equipment becomes more important to our Juniors. The lease program will still offer Power Bilt Clubs for \$40.00+GST plus refundable deposit of \$25.00. However, I have made an investment in Callaway Junior Club sets that I know will help the Juniors and Junior Juniors develop to the Advanced Junior stage. These six and seven piece sets which normally sell for \$240.00 to \$270.00 plus tax can be leased this year for \$85.00 +GST plus refundable deposit of \$50.00. If you are interested in the advanced sets please call and lease your set now as I have a limited number of boys left and right and girls left and right hand sets in two sizes.

If you want any additional information please call me at the club at any time.
