November 2011

Dear Member

Thank you for helping us celebrate the 50th Anniversary of Shelburne Golf and Country Club. Once the great weather came, we had a Summer and Fall of perfect and near perfect days to play. The Thanksgiving weekend was especially great Summer weather.

As you read this letter we will have closed the door on our 50th Anniversary and are looking forward to the future by expanding and renovating the Clubhouse. We are trying to have the foundations poured and set by early December which will allow us to enclose the building and work through the winter months to have the clubhouse fully operational for your return in April.

The new addition will include a fully enclosed, climate controlled banquet facility with a comfortable lounge overlooking the ninth and eighteenth greens. New, fully accessible Men's and Ladies' washrooms and an expanded full service kitchen are also in the plans. This will bring the Clubhouse facility up to the same standard as the Golf Course.

The Anniversary year found the golf course in good condition from the day we opened to the last day of golf on November 9. The fairways were in the best condition I have seen and the greens were consistent and true running all season. Brooks and his staff also did a great job of trimming the trees up and cleaning the bush areas to help speed up play. The general feeling is that the course took on a "matured, park land" look this year.

Thank you to Michael Smithson, Bruce Blears, Mike Broderick, Heather Harrison and Gail Mubarak for their endeavours on behalf of the Men's and Ladies' sections. And, thank you to Megan who secured sponsorship for all Men's Nights and Ladies Open Golf League Nights. We are working on the 2012 schedule of events with some new enhancements to our competitions.

Once again we will have our Christmas Store in the Orangeville Mall from November 30 to December 28. We hope to see you then.

Our 2012 Membership fee structure is enclosed. The best value is the "paid in full" by December 1st rate followed by the five month payment plan also beginning on December 1st

Junior- Junior and Juniors, please see your special membership news in the Junior letter enclosed.

Have a great Christmas and a Happy New Year

Sam, Mary, Brooks and Megan
