### ■ Earn Up to \$500.00 in Pro Shop Rewards

If we receive your final guaranteed number of players, fully paid ten days in advance of your tournament, you will receive a \$5.00 Pro Shop credit voucher for every player in your tournament. For example, 50 players @ \$5.00 = \$250.00. This credit can be used for Pro Shop prizes or vouchers or for future green fees and power carts. There is no cash value. The credit must be used during the calendar year.

Maximum: \$500.00 per tournament.

**Call the Pro Shop for the most competitive pricing on golf ball handouts and prizes for your awards table.**

### ■ The Golf Course

Shelburne Golf and Country Club is a picturesque 18 hole golf course located on the Western edge of the Niagara Escarpment.

The Professionally designed course plays over easily walked terrain with silica sand bunkers and six spring fed ponds providing a challenge to all levels of golfers. In 2004, 8 new tee decks, adding 230 yards to the course were brought into play adding to the challenge for the lower handicap, long hitting player.

### ■ Scramble Format

For mixed tournaments, which may include all levels from experienced to first time players, a scramble format (best shot) is recommended, as it is the most enjoyable format for golfers of varying abilities and helps to create more interaction among players. The key advantage is less experienced golfers feel like part of the team because all players hit from the best location for one team score. Everyone has more fun and the chances of a slow round are reduced. Variations can be added to suit the group. For example, each player could be required to count his or her drive at least two or three times during the round. This prevents any one team from having an unfair advantage. Closest to the hole prizes could also be awarded to the team rather than the individual.

### ■ Course Marshal / Pace of Play

The course marshal patrols the course to maintain a steady pace of play for your group and all other groups on the course. It is important for each foursome to keep up to the players immediately ahead.

**Please give the marshal your fullest co-operation to maintain a steady pace of play.**

### ■ Dress Code

Shirts with collars and sleeves or mock turtle neck with sleeves – no Tee shirts – must be worn at all times. Females: tops without sleeves must have collars and tops without collars must have sleeves. Dress jeans (without holes or frayed, (i.e. cutoffs) are acceptable. Please keep in mind that the dress code applies to all committee members and volunteers as well and to all players while on club property. Spikeless golf shoes or running shoes are acceptable footwear for the golf course. Other types of spiked shoes (Soccer, Track etc) are not permitted.

### ■ Alcoholic Beverages

In accordance with Ontario Law, no personal beer or liquor is permitted on the property which includes the course, the parking lot and the practice facility. Please ensure that all participants are aware of the above. We are licensed and are fully responsible for our customers' safety and behaviour – the same as your favourite restaurant or bar.

Participants who do not abide by these laws will be escorted from the property without refund.
